September 2011

To The Parent/Guardian of:

In the past week and a half, 21 NEW kindergarten students registered for kindergarten at Bradt. This was many more students than expected and as you can imagine, it significantly increased the size of our incoming kindergarten.

After a great deal of thought and deliberation, we have decided to reassign Mrs. Hurst from first grade to kindergarten to accommodate the increased numbers. We know that making this change the week prior to the beginning of school is challenging. However, we believe that it is the best possible solution for our students at this time.

You are probably wondering how this change affects first grade. In fact, the size of the first grade was much lower than that of kindergarten. Because of this, we were able to reassign the students originally placed with Mrs. Hurst to other first-grade classrooms.

As a result, your child's first grade teacher will be _____.

Thank you for your understanding, flexibility and support in helping to make this a smooth transition for the children involved.

If you have any questions, please feel free to contact us.

Sincerely,

Diane McIver
Bradt Principal

Kathleen Spring
Superintendent
