

Mr. Blais/Miss. Farry
Art 6
Essential Task # 6
Landscape Color Unit

1. Color in your landscape using several different values (lightness and darkness of colors), shade and blend in an attempt to make your landscape look like a photograph/realistic
2. Use various linear and shading techniques to achieve texture
3. Look beyond the basic seen colors to understand what colors you need to make your drawing look like the photo I.E.; layer yellow over green to achieve a yellow green
