

POPULAR WEB SITES FOR YOUR COLLEGE ADMISSIONS SEARCH, FINANCIAL AID AND CAREER RELATED INFORMATION

Below is a listing of websites that students have found to be valuable in the past. They are several college, scholarship, career and volunteer sites to choose from. Please take a little time to navigate through some of these. As counselors we have placed a star (*) next to some of our favorites. You will get a more in depth sheet in future years. Good Luck!!

***E-Choices/Bridges**

We also recommend that you start your basic search by using the e-Choices program. This program includes an interest inventory; career, college and scholarship searches as well as a planner to help organize your personal information. Please follow the directions listed below to access this program from home. However, the **Choices** program is also available in all of the computer labs and in the library here at the high school. There is an excellent aptitude assessment (ability profiler) that is **only** available on the school computers. When using the ability profiler the password is – *start*.
