

**MOHONASEN ELEMENTARY PTO**  
**ANNUAL MEMBERSHIP DRIVE**  
**2011-2012**

The 2011-2012 school year is upon us and once again the Mohonasen Elementary PTO is urging all parents and teachers to join. The cost of becoming a member is only **\$3.00 per adult** (not per student). Your membership dues show that you support the PTO and its many endeavors. It does not obligate you to volunteer, donate time, or attend meetings, though parents and teachers are encouraged to participate. PTO meetings are held quarterly at 6:30 p.m. and will conclude by 7:30 p.m. Please refer to your monthly PTO newsletter or the Mohonasen District calendar for exact dates and locations. New ideas and suggestions are always welcome. The Elementary PTO is a separate organization from the Middle School/High School PTSO. You must join each organization individually.

The PTO is dedicated to supporting elementary children and their families. We sponsor entertaining and educational events, support families in times of need, help defray the cost of field trips by donating \$5.00 per student via the class teacher, supplement the purchase of playground and school equipment, help purchase and maintain the 1000 Book Club, support the staff in each school through appreciation luncheons, financially support various special requests from teachers and staff, plus much more! We need your support to continue these activities.

To become a PTO member, please fill out the attached form with payment and send it in to your child's teacher as soon as possible. **Membership is *not* limited to one parent/guardian per student.** Each person need only join once regardless of the number of children they have at Bradt and Pinewood Schools.

We look forward to your membership in the PTO! Please join!

Sincerely,  
Mohonasen Elementary PTO
