

Mohonasen Elementary Science Fair

Thursday, February 8, 2018

5:30-7pm

(Check in and set up 5-5:30)

Mohonasen High School

Calling all Bradt and Pinewood Scientists!

Join us for Mohonasen's 2nd Annual Elementary Science Fair.

We want to see your projects and your experiments!

What you need to do to be part of the Science Fair:

1- Pick a project

- Are you interested in plants, animals, chemistry, or rocks and minerals?
 - Do you have a question you want to test out?
 - Do you have a cool collection you want to display.
 - Find a book about science projects or look online for an idea.
- You can choose any problem to solve, experiment to test, or project to make.
 - Here are some websites you can check out for ideas:

http://www.sciencebuddies.org/science-fair-projects/project_ideas.shtml

<http://www.education.com/science-fair/>

<http://www.scholastic.com/teachers/article/40-cool-science-experiments-web>

<http://www.icanteachmychild.com/science-fair-projects/>

2- Submit the Project Proposal Form by January 16th

- Return the proposal form to the Bradt or Pinewood office by January 16th and get started on your project!

3- Do you need some help with your project?

- Let us know if you need some help when you submit your proposal form.

- Give us some details about what support you need: Do you need help with an idea? Do you need materials? Do you need a plan?
- Come to *Pinewood Cafeteria* on **Wednesday, January 24th** from 6-7pm and we will provide assistance to get you started on your project.

4- Do your experiment, make your project, or assemble your collection.

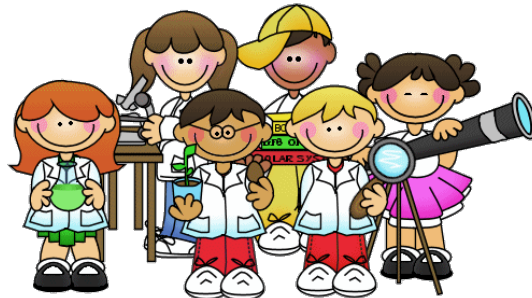

- Prepare your presentation or project and bring it to *Mohonasen High School* to set up on February 8th between 5-5:30pm.
- Families, students, and community members will be invited to view projects between 5:30-7:00pm.
 - Students will display their work and talk about their project.

5- Some helpful hints:

- Science is fun so have fun with this!
- Your science project should be interesting to you!
- This is meant to inspire you as a scientist so take risks!
 - Your project doesn't have to be perfect!
- The Science Fair is an experiential, non competitive event designed to inspire curiosity and interest in the scientific method and experimentation. All students that submit a project/ experiment will be recognized for their effort and participation.

If you have any questions, please email lsherman@mohonasen.org or llynch@mohonasen.org

Please return this form to the main office at Bradt or Pinewood by January 16, 2018.

Mohonasen Elementary Science Fair
February 8, 2018

The Science Fair will be held at Mohonasen High School.

Please return this form to the main office at Bradt or Pinewood by January 16, 2018.

Scientist's Name _____

Grade _____

Teacher's name _____

Project Title: _____

Please provide a brief description of your planned project:

___I will be attending the Extra Help Session on Wednesday, January 24th from 6-7 at Pinewood.

Please describe what you need help with so we can be prepared to provide the necessary assistance. Be as specific as you can be with what you need. Do you need help with an idea or a plan? Do you need help with materials or your presentation? List any materials that you need help acquiring for you project.

Projects should be brought to High School Gym between 5-5:30 for set-up. Please display the title of your project and the name and grade of the scientist who completed the project. Students should plan to present their project and be ready to talk about what they did for their project or experiment!

If you have any questions, please email lsherman@mohonasen.org or llynch@mohonasen.org
