Drawing of Names for Ballot Placement

Dr. Spring reported that there were three open seats on the Board of Education and at this time we will select the order for them to appear on the ballot. Dr. Spring asked one of the student representative to draw names for ballot placement. Based on the drawing, placement will be as follows:

1.	Morgan Beach
2.	Pamela Young
3.	Wade Abbott
4.	Patrick Ryan

Dr. Spring gave an update on the state testing. She mentioned that the first phase of the ELA testing has been finished and this year the computer-based testing was used for 5, 6, 7, and 8th grade. She talked about the glitches with these tests and commended the teachers, students and administrators for keeping things calm during this time.

She also explained the importance of why students were wanded at the middle school.

Dr. Spring then turned the meeting over to Mr. Ruberti to give a presentation on the 2018-19 Proposed Budget Adoption.

**Mr. Ruberti - 2018-19
Budget Summary**

Mr. Ruberti gave a presentation on the 2018-2019 budget. The total budget to be adopted is \$53,065,000. He reported that this is a budget increase of \$2,125,000 (or 4.17%) and a tax levy increase of \$850,146 (or 3.21%). The 2018-19 Tax Levy Limit is 3.21% which is within the calculated limit. He then reviewed the Rollover and Working Budget, talked about different steps in bridging the gap and the reductions that are necessary as the District is facing a \$1,000,000 budget gap. He compared the projected class size in grades K-6 and also explained the importance of the fund balance and its usage. He then talked about the proposed budget's projected impact on taxpayers and the proposed bus purchases. He reported that there are three open seats to be filled for three-year terms and four candidates have turned in petitions. He explained contingent budget rules. At this time, Mr. Ruberti answered some questions from the Board.

**Student
Representatives**

Student Representatives, Noelle Levasseur and Emily Bascom gave a power point presentation on events and activities within Bradt, Pinewood, Draper and the High School. They also showed a video from the Math Madness Day with Math Honor Society at Bradt. They gave a report on sports and mentioned some upcoming events.

**Communications -
Board of Education**

Mrs. MacTurk noted that she went to the PTO Talent show and that there were a lot of great, confident, young students at Bradt and Pinewood.

Ms. Young mentioned that the student representatives are doing a great job.

Mrs. Gaglioti reminded everyone that the safety event is being held tomorrow (April 17th) at 6:30.

**Public Privilege of the
Floor**

Ms. Anna Sherman, a student residing at 1100 Fourth Street in Schenectady, read three statements from the New York State Social Studies Standards in Grades 9-12. She spoke regarding the walk-out and compared the statements to the last walk-out. She related those standards to the nationwide student walk-out planned for Friday, April 20th to honor the 19th anniversary of the Columbine School Shooting. She continued to report on the intent of the walk-out and how it can help moving forward by encouraging young men and women to get registered to vote in the next election to help change gun control laws. She asked for the Board's support on the up-coming walk-out. Mrs. Gaglioti told her they would have an answer before the 20th. She then answered some questions from the Board.

Mr. Wade Abbott, and his son, Tim, who reside at Fiero Avenue in Schenectady, reported on the ELA state tests. Tim, a 6th grader, explained that he had to wait for

about ½ hour because of the issues with the computer-based version test. He said they then went into the Library where they read for the remainder of the scheduled testing time. He felt that making the students re-take the test on a normal day is very upsetting and should not overlap with teaching time.

Mr. Abbott shared his thoughts and opinions on the computer-based testing. He also shared his concerns about his child being wanded.

Mr. Ryan thanked them both for coming and expressing their concerns.

Ms. Jennifer Langlais, a parent of a student-athlete at Mohonasen who resides on Curry Road in Schenectady, had some questions regarding the change in athletics from Suburban Council to Colonial Council. She had several concerns including whether there would be as many scouts at Colonial Council games and whether there would be the same number of teams and levels in the Colonial Council. She also showed interest in a town meeting to talk about a pros/cons list of why the district moved to the Colonial Council. She indicated that there is a petition going around with the athletes, parents, athletic director, etc. to get some answers. She asked if there were any parents or grandparents on the Board that have athletes. The Board discussed some of her concerns.

Ms. Lauren Neale, a fourth-grade teacher who resides at 3008 Williamsburg Drive in Schenectady, reported on the impact of the budget and position cuts. She felt that there was not a heads-up regarding the cuts. She asked Mr. Ruberti about some questions regarding state aide, and also asked what the district is doing to prevent this from happening again next year and in future years. Mr. Ruberti answered those questions and explained to her that the health insurance is one of the largest factors in the increased cost and that we are looking into different ways to possibly reduce these costs. Dr. Spring and Mrs. Gaglioti also spoke explaining why there was less notification regarding the layoffs than in other years. Mrs. Escobar reinforced that it is always a great idea to reach out to assemblymen and senators to discuss fully funding foundation aid.

Mr. Piccirillo commended Ms. Neale for advocating for her colleagues.

Mr. Ryan also mentioned that it was a challenging budget this year and they will work at getting better communication.
