FROM: Kathleen A. Spring, Ph.D., Superintendent

SUBJECT: Request for Approval to Appoint Permanent Chairman, Assistant Clerks and Voting Machine Inspectors

BACKGROUND INFORMATION

Voting on the budget adopted by the Board of Education is done using voting machines. Law requires clerks or assistant clerks to record the names and legal residence of all voters prior to their being allowed to cast their vote. The inspectors of elections must examine each machine to see that the ballot account status is zero (0), that the ballot information is correct, and that the use of the machine is deemed in compliance with any provision of law requiring the vote to be by ballot. The permanent chairperson must be a qualified voter in the district, who calls the meeting to order, declares the polls opened and closed, and adjourns the meeting.

EVALUATION/ANALYSIS

Voting on the proposed budget, the purchase of buses, and the election of three Board of Education members will be held on May 15, 2018 between the hours of 7:00 AM and 9:00 PM. To ensure that the vote is handled properly, a permanent chairman and a sufficient number of inspectors and assistant clerks need to be appointed to work during the election. FROM: Kathleen A. Spring, Ph.D., Superintendent

SUBJECT: Request for Approval of Salary Schedules for Management/Confidential Employees

BACKGROUND INFORMATION

Several district employees are designated as Management/Confidential. This designation is completed for the purpose of ensuring the confidentiality of information and actions to which said employees might become privy due to direct work responsibilities, in particular, negotiations. Said employees are not affiliated with a collective bargaining group or association. With this in mind, should the district find it necessary to implement a contingency budget because of the results of the upcoming budget vote, this group of employees would not be protected by a collective bargaining agreement. Therefore, it is necessary to approve an annual salary adjustment for the Management/Confidential group prior to the annual budget vote.

EVALUATION/ANALYSIS

The benefits provided to “confidential” employees are generally consistent with the Mohonasen Support Staff Association (MSSA) agreement. Subsequently, it is necessary to adjust the approved salary increases for designated “confidential” support staff employees annually, in order to align with said agreement. Although these salaries have been previously agreed upon through the end of the current MSSA agreement, June 30, 2022, Board approval is still necessary for said salaries to take effect.

RECOMMENDATION

That the Board of Education approve the salary increase for Management/Confidential employees for the 2018-19 school year in alignment with the attachment to the MSSA contract.
