TO: Board of Education
FROM: Shannon C. Shine, Superintendent
SUBJECT: Request for Approval of Lease Agreement with the Boys and Girls Club of Schenectady

BACKGROUND INFORMATION

The Boys and Girls Club of Schenectady has requested the use of district buses to transport students to and from Camp Lovejoy.

EVALUATION/ANALYSIS

In the past the District has permitted the Boys and Girls Club of Schenectady to lease buses owned by the District, for use during the summer months to transport students to and from Camp Lovejoy. The Boys and Girls Club absorbs costs incurred by the District for the use of the buses, and secures an insurance policy in the amount of \$1,000,000 naming the Mohonasen Central School District as an additional insured. The Club also signs a hold harmless agreement, which holds the District harmless from any and all claims arising out of the Club's use of our vehicles.

RECOMMENDATION

That the Board of Education approve a contract with the Boys and Girls Club of Schenectady for the use of five buses, at a reimbursement amount of \$23,000 for the period July 1, 2019 through August 16, 2019.

SUBJECT: Authorization to Fund Reserve Accounts

BACKGROUND INFORMATION

Districts may establish and maintain reserve funds in accordance with New York State Laws, Commissioner's Regulations and the rules and/or opinions of the New York State Comptroller.

EVALUATION/ANALYSIS

Reserve funds are an important component of the District's financial planning. Over the years, Mohonasen has established and maintained reserves to help maintain the financial stability of the district. Each year, the Board of Education reviews the reserve fund activity, potential outstanding liabilities and fund balance to determine the appropriate reserve funding. Subsequently, it is necessary for the Board to authorize the funding of those reserve accounts.

RECOMMENDATION

That the Board of Education approve the following resolution:

RESOLVED, that the Board of Education of the Rotterdam-Mohonasen Central School District hereby authorizes the funding of the District's approved reserves with the excess of 4% from unassigned fund balance at June 30, 2019, after the designated amount for tax reduction has been set. The allocation of such excess fund balance will be determined subsequent to June 30, 2019 and prior to setting the tax levy.

SUBJECT: Request for Approval to Appoint Permanent Chairman, Assistant Clerks and Voting Machine Inspectors

BACKGROUND INFORMATION

Voting on the budget adopted by the Board of Education is done using voting machines. Law requires clerks or assistant clerks to record the names and legal residence of all voters prior to their being allowed to cast their vote. The inspectors of elections must examine each machine to see that the ballot account status is zero (0), that the ballot information is correct, and that the use of the machine is deemed in compliance with any provision of law requiring the vote to be by ballot. The permanent chairperson must be a qualified voter in the district, who calls the meeting to order, declares the polls opened and closed, and adjourns the meeting.

EVALUATION/ANALYSIS

Voting on the proposed budget, the purchase of buses, and the election of two Board of Education members will be held on May 21, 2019 between the hours of 7:00 AM and 9:00 PM. To ensure that the vote is handled properly, a permanent chairman and a sufficient number of inspectors and assistant clerks need to be appointed to work during the election. These individuals work on a volunteer basis.

BACKGROUND INFORMATION

During the summer 2019 and the 2019-2020 school year, the district may be required to provide special education and related services to various district resident students with disabilities. The service need is stipulated in the child's IEP.

MAY 13, 2019

TO: Board of Education

FROM: Shannon C. Shine, Superintendent

SUBJECT: Request for Approval of Salary Schedules for Management/Confidential Employees

BACKGROUND INFORMATION

Several district employees are designated as Management/Confidential. This designation is completed for the purpose of ensuring the confidentiality of information and actions to which said employees might become privy due to direct work responsibilities, in particular, negotiations. Said employees are not affiliated with a collective bargaining group or association. With this in mind, should the district find it necessary to implement a contingency budget because of the results of the upcoming budget vote, this group of employees would not be protected by a collective bargaining agreement. Therefore, it is necessary to approve an annual salary adjustment for the Management/Confidential group prior to the annual budget vote.

EVALUATION/ANALYSIS

The benefits provided to “confidential” employees are generally consistent with the Mohonasen Support Staff Association (MSSA) agreement. Subsequently, it is necessary to adjust the approved salary increases for designated “confidential” support staff employees annually, in order to align with said agreement. Although these salaries have been previously agreed upon through the end of the current MSSA agreement, June 30, 2022, Board approval is still necessary for said salaries to take effect.

RECOMMENDATION

That the Board of Education approve the salary increase for Management/Confidential employees for the 2019-20 school year in alignment with the attachment to the MSSA contract.

SUBJECT: Request for Approval to Enter into a Transportation Contract with Shenendehowa Central Schools for April 15, 2019 through June 30, 2019

BACKGROUND INFORMATION

Special Transportation services are needed for a district student. There are times where the District is not able to provide these services with our own staff and need to contract services out and/or enter into a shared service agreement.

EVALUATION/ANALYSIS

After analysis of the possible transportation alternatives, it was determined that the best course of action was to work with a local district and contract services through them.
