Good evening Pinewood parents and guardians:

This week marks the first of many that have already begun in the last six months as we will be conducting our first Pinewood virtual Open House. **To assist you with this process, I ask that you read the following information that should help ease the transition and reduce your frustration.**

First, please note the schedule as outlined below which is the time/date for open houses. Additionally, I have included a document that has the specific links and dates for the various adults in our building. If the link is not active yet, it will be by the designated time.

Grade 3: September 24th @ 6:45-7:15 pm

Grade 4: September 22nd @ 6:00-6:45 pm

Special Area teachers: September 22nd @ 6:30-7:00 pm

Grade 5: September 22nd @ 6:45-7:15 pm

Links can be found [here](#) for your specific team and/or teachers.

Please note that the format of this open house is a “Meet & Greet” and child specific questions should be reserved for an email or parent teacher conference.

In order to logon to the virtual open house, you must do so with your child’s Mohonasen username and password. Please make sure you have this available and that your child can log on to their teacher’s google classroom prior to the open house which will ensure that you are able to participate at limit your frustration in not being able to access.

When you enter the meeting, please make sure to “mute” your microphone and use the chat box to ask questions which will help ensure that each family can hear the teacher(s).

Additionally, I have included a welcome video by me to start you off on your open house journey and greet you as I typically would do to start the night out. The welcome video can be found [here](#).

Pinewood Proud,

Mr. Thompson
Pinewood Principal
