

Chocolate Chip Cookies

Ingredients Included in Cookie Kit

Flour
Salt
Baking Soda & Baking Powder
White Sugar & Brown Sugar
Chocolate Chips

Items You Provide for Both Recipes

1 egg
Vanilla
Stick of Butter
Measuring Spoons
Small Mixing Bowl

Recipe Instructions using Baking Soda

1. Preheat oven to 375 °F
2. In small mixing bowl, cream/mix together the following ingredients until light and fluffy:
 - a. 1.5 teaspoons room temperature butter
 - b. 1 teaspoon white sugar
 - c. 1 teaspoon packed brown sugar
3. Add the following ingredients to the light and fluffy mixture:
 - a. 3 ml of beaten egg
 - b. 1 drop of vanilla
 - c. 1 pinch of baking soda
 - d. 1 pinch of salt
4. Mix well
5. Add the following ingredients to the mixture:
 - a. 1 tablespoon of flour
 - b. 9 chocolate chips
6. Mix well and let chill for 10-15 minutes before shaping cookie and baking
7. Press batter into cookie cutter on baking sheet lined with parchment paper or aluminum foil. REMOVE COOKIE CUTTER BEFORE BAKING. Alternatively, shape the cookie dough into a ball, place on lined baking sheet, and slightly flatten with fingers. Use the cookie cutter to cut the cookie after removing from the oven.
8. Bake for 8-9 minutes.
