Senior Parade Day

Congratulations Class of 2021 Seniors! We are excited to present to you the Senior Parade Day activities that will take place at Mohonasen High School on Friday, May 28, 2021. The following pages will detail:

- **The Senior Parade Day Schedule**
- **The student groupings for activities**
- **The senior parade route**

In order to maintain social distancing protocols, students have been assigned to two groups for the day to commemorate their senior status. Please locate your name in the groupings on the following pages to identify where you should report for breakfast and homeroom. If you have breakfast at 7:30, please report directly to your assigned cafeteria. If you have homeroom at 7:30, please report directly to your assigned homeroom. Students who are assigned breakfast in the GYM cafeteria should report to cafeteria A to select their food and then report to the gym to eat.

Students will receive their caps and gowns and senior swag in their homerooms along with special information about upcoming senior events. Additionally, the local band, Get Up Jack will be in the high school auditorium for a special Mohonasen High School concert for our seniors.

Students will be dismissed from Mohonasen High School at 9:53 to return home, have an opportunity to decorate their vehicles if they wish, and ride back to school with family members. We encourage families to drive their high school seniors back to school so that they may fully experience the parade celebration. The parade will leave promptly at 11:00 from Mohonasen High School. We welcome students to arrive with their families starting at 10:45 to line up their vehicles in front of the high school canopy. Please remain in your vehicle for the duration of the parade. Any students who need transportation for the parade should fill out [this form](#) by Monday, May 24th, so that we can provide transportation via school buses.

The parade will be led by our local fire departments and Mohonasen school busses. A special thank you to the Rotterdam Police Department, Rotterdam District 2 Fire Department and Carman Fire Department for their assistance in the community during the parade. After a final loop in front of the high school, to maintain a smooth traffic flow, we ask that traffic continue to exit through the Helderberg Avenue entrance. Students are immediately dismissed upon the conclusion of the parade.
