## Registration Form

All registration for the Mohonasen Science Fair will be completed using a Google Form.

Use the link or the QR code below to register!

[Registration Form Link](#)

# What do I need to do in order to participate in the science fair?

## Pick A Project

Find a science or STEM topic you're interested in and explore it by conducting an experiment!

- Are you interested in plants, animals, chemistry, or rocks and minerals?
- Do you have a question you want to test out?
- Do you have a cool collection you want to display?

Check out the websites below if you need help coming up with an idea:

- [http://www.sciencebuddies.org/science-fair-projects/project\\_ideas.shtml](http://www.sciencebuddies.org/science-fair-projects/project_ideas.shtml)
- <http://www.education.com/science-fair/>
- <http://www.icanteachmychild.com/science-fair-projects/>

## Submit the Project Proposal Form by February 3rd

Complete the registration form by using the registration link on the first page. All registrations must be submitted by the end of the day on February 3rd.

## Do you Need Some Help With Your Project?

The extra help night will be held at the *Pinewood Cafeteria* on Wednesday, **February 16th**, from **6:00pm-7:00pm**. If you will need support with starting your project, developing your science project idea, or need resources, then please indicate your science project needs on the registration form.

# Conduct your experiment, make your project, or assemble your collection.

Prepare your science project and bring it to the High School Gym to set up on March 1st starting at 5:00pm. The science fair will begin promptly at 5:30pm and run until 7:00pm. Students will be expected to display their work and discuss their project with teachers/students.

## Helpful Hints

- Science is fun so have fun with this!
- Your science project should be interesting to you!
- This is meant to inspire you as a scientist, so take risks!
- Your project doesn't have to be perfect!
- The Science Fair is an experiential, non-competitive event designed to inspire curiosity and interest in the scientific method and experimentation. All students that submit a project/ experiment will be recognized for their effort and participation.

## Contact Information

If you have any questions about your project or experiment, then please contact or email:

- **Mrs. Milkins (Bradt)** - [mmilkins@mohonasen.org](mailto:mmilkins@mohonasen.org)
- **Mrs. Sherman (Pinewood)** - [lsherman@mohonasen.org](mailto:lsherman@mohonasen.org)

If you have registration questions, then please email:

- **Mr. Hubbell (Administrator)** - [mhubbell@mohonasen.org](mailto:mhubbell@mohonasen.org)
