.....  
*We understand that the 2023 JUNIOR/SENIOR PROM is to be an alcohol and substance free event.*

I \_\_\_\_\_ further agree that neither I nor my guest  
(student name)

\_\_\_\_\_ will bring or use alcohol or other  
(guest name)  
prohibited substances before, during, or after the prom. I understand that my guest and I will be asked to leave and my parents contacted to pick us up if we break this agreement.

I, \_\_\_\_\_, agree that I will pick up my son/daughter and guest immediately upon receiving a call from a school administrator at the Junior/Senior Prom. I understand that such a call would indicate that they have violated one or more of the rules and regulations of our school specified in the Mohonasen Code of Conduct or have broken their agreement not to bring or use alcohol or other prohibited substances before, during or after the Junior/Senior Prom. This would indicate direct violation of the Mohonasen Code of Conduct by the student/guest and such behavior will not be tolerated. I further understand that disciplinary action will also result upon the completion of an investigation into the matter by the school and in accordance with the district's Student Conduct and Disciplinary Policy.

*The Mohonasen High School Administration and the Rotterdam Police Department are committed to a substance free event. All students and guests will be screened for alcohol and drugs; failure to submit to a screening test will prevent admission to the event.*

*Smoking or vaping is not allowed at any time, regardless of age.*
